Since 2002, The Center for Autism Education has been a non-profit resource to families in the Greater Saint Charles Area. We are leaders in the autism community and specialize in helping individuals with unique behavioral issues. We work with people in all aspects of life, from school aged children at our Instructional Day Facility, to adults at our Adult Day Program. Our mission is to assure that every child, family and adult that we serve is provided the highest quality of training available in a respectful, positive, and safe learning environment.

**CONSUMERS WILL BE
